10.6. Upon expiry or termination of this MA or a relevant Order (or upon receipt of Software or Information that is intended to supersede previously obtained Software or Information), unless D&B and Customer agree otherwise in writing, Customer will immediately delete or destroy all originals and copies of the Information and/or Software, as applicable, and upon request, provide D&B with certification thereof. Notwithstanding the aforesaid, Customer may retain a single copy of the Information (but not the Software) for regulatory compliance and archive purposes, provided always that such retained copy may not be used for any commercial purpose.

10.7. If, without D&B's written permission or as otherwise permitted hereunder, Customer continues after expiry or termination of an Order or this MA to access or use Services, Information and/or Software the subject of an expired or terminated Order or this MA (as applicable), in addition to any other remedies available to D&B, Customer will be liable to pay D&B for the Services, Information and/or Software Customer has continued to access and/or use at the premium "pay-as-you-go" rate set by D&B from time to time and on such terms as to

Without prejudice to any other rights or remedies that D&B may have, Customer acknowledges and agrees that damages alone may not be an adequate remedy for any breach of the terms of paragraphs 4, 5 or 8 of this MA by Customer, and accordingly, D&B shall be entitled to the remedies of an injunction or other equitable relief for any threatened or actual breach of paragraphs 4, 5 or 8 of this MA by Customer.

This MA, all Orders, any data transfer or processing agreements between D&B and Customer, any attached addendums, appendices and schedules, and any applicable online service terms in effect from time to time, constitute the entire agreement between D&B and Customer regarding the Information, Services and Software. All prior agreements both oral and written between the parties on the matters contained in this MA are cancelled, replaced and superseded by this MA.
